Subject INVESTMENT FUNDING !!!

Hello,

We are good reputable international investment firm, privately seeking for beneficial projects and means of expanding and relocating our business interest abroad in the form of Soft Loan Funding. We grant loans to both corporate and private entities at a low interest rate of 3% ROI per annum and we like to invest in the following sectors; oil/Gas, banking, real estate, stock speculation and mining, transportation, health sector and tobacco, Communication Services, Agriculture Forestry & Fishing, thus any viable sector. The terms are very flexible and interesting. Please kindly get back if you have projects that need funding on dfgllc06@gmail.com for further discussions for more details

I hope to hear back from you soon.

Sincerely,

DFG Management
