Dear Ryan,

It was good to meet you at the Board of Health hearing on April 29th. Attached is my testimony related to the proposed revisions to the Easthampton BoH Tobacco Regulations that you will be voting on tomorrow (May 13, 2026). I could not find the Board member's emails so I am hoping you can forward my testimony to them.

I had mentioned to you that Paul McNeil (cc'd) may be interested in serving on the Board of Health. Paul is a parent and resident of Easthampton. He has a masters degree in Public Health and currently works for the DEA's New England High Intensity Drug Trafficking Area (HIDTA) program. Paul would be a fantastic Board of Health member!

Also, I had given you a copy of the Easthampton census and school data charts. I am still working to finalize the report for Easthampton and when it is done I will send you a PDF.

Many thanks for all you do for the city of Easthampton!

Heather Warner
