Hello,

I attached the letter to this email. I hope the length is ok, I didn't want to go into too much detail on the personal statement, though I hope this is of help to you.

Thanks,

Hi Pascaline,

Thank you for helping with this! I've attached a template you can use if you would like to draft your letter. Feel free to share it with your friends/parents who may be interested as well!

The Board of Health Public hearing will be on Wednesday evening (information below). We would love to have young people show up in person to support it (even if you choose not to speak) your presence will be impactful!

Feel free to send your letter to me. I will be creating a packet of support letters.

Thanks!

Erin
