Hi Shaun,
Are there any additional steps that need to be taken with NFG? I wanted to post on our social media accounts and I want to make sure I'm accurately reporting that NFG has been passed.
Thanks,
Erin

Good morning Erin,

Thank you again. The kids were great. You helped to close the deal.

Nidia filed the regulation with Connor this morning. A copy has been sent to the MDEP to be registered (don't ask me why the MDEP and not the MDPH is involved). I have notified our tobacco control group and they will start their education/awareness inspections this and next week.

At present, the regulation is set to go into effect on July 1, 2025.

Shaun
