Hey Shaun,

Quick question for you. Will the BOH meeting ahead of the NFG hearing be open to the public? I plan on attending next week, and just want to make sure I get there at the right time to cover both the BOH meeting and the hearing.

Thanks,

Yes.

There was a typo in the regulation that will be identified, amended and voted on to the hearing.

The meeting will also include typical topics but in an abbreviated format.

I will introduce letters for and against the NFG regulation to the board at the meeting.
