That's great, Anthony! I would send everything through the HD:

Shaun McAuliffe smcauliffe@hopkintonma.gov

Will you send Shaun your "usual" documents. I think having them come from you carries more weight.

Best,

Maureen

I added the projected dates (5/12 if 2nd Monday of the month) to the google sheet. I know someone who lives in Hopkinton so if you have a contact for emails then I will ask them to send an email and circulate to parents.

Hello all,

Good news. Hopkinton voted (after I left last night's meeting) to move forward to a public hearing. See Shaun's note below.

I asked Shaun if we could provide more info. He said yes. Please feel free to send along whatever you would normally send to a BOH. I could send a collection of materials, but I think it would be more impressive for the Board to hear from other NFG task force members.

Please think about anyone you may know who lives or works in Hopkinton. I just went through my contact list. I know absolutely no one there but will ask friends and relatives.

Isabel and Shresta, apparently the Hopkinton Health Department has worked with the local high school on vaping issues. Shaun is going to reach out to local families. But still worth checking to see if you have any connections to Hopkinton youth.

I'll check to see if they have an 84 chapter, or any regional youth groups. I'll also check to see who the local CP is and try to get some help from him or her.

I'll let you all know the hearing date as soon as I hear. I assume some time in May.

Best,

Maureen

Hi Shaun
Can you forward the attached articles to the Board for the hearing Wednesday?
I am hoping to arrive in time to speak at the public hearing.

Thanks

Anthony
