Thanks for sending, Shaun. I don't seem to have access to open the doc. Is there another way to try getting this to me?

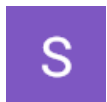

Thanks,

Susan

Shaun McAuliffe shared a document

Shaun McAuliffe (smcauliffe@hopkintonma.gov) has invited you to **edit** the following document:

Good afternoon Susan,

Is this something that the Senator would / could endorse? Our hearing is next week. We are collecting letters of support to counter the retail lobby and tobacco lobby that will likely attend the hearing.

Sincerely,

Shaun McAuliffe
Health Director
Hopkinton

Thanks, Shaun. I was able to open it as an attachment.

So, I actually haven't seen her submit a letter like this regarding a municipal issue that is being discussed internally. Generally, she feels she should not weigh in on discussions involving municipal boards that affect residents of that municipality, given that she is not a resident of that municipality and therefore should not have a voice.

I will doublecheck about that, tho.

That is fine. Can't hurt to ask. Good to keep you in the loop.

I hope to drag a few other communities with me.

Once I get my clinics going I will give you a call. I have approval for at least two more nurses and will be leading healthcare and vaccination efforts in the region.

Take care.
