Hi Shaun,

I just heard from Stephanie Patton in Stoughton. The Board voted to hold a public hearing December 18 at 6:00 PM. I assume it's in Town Hall but will find out.

Meanwhile I wanted to get this on your calendar. I remember that you said you once worked in Stoughton and know folks there. If you could reach out and tell them about the hearing that would be terrific. Maybe forward a copy of the NFG flyer? Whatever you think. If you can testify in person that would be amazing. Your testimony would be like no other – you did this recently in your own community.

I suspect written testimony will also be accepted. I'll let you know when I find out. Meanwhile I wanted to get this info out to you so you could mark your calendar and so you would have time to reach out to your friends/colleagues.

Many thanks,

Maureen

P.S. How was the show? Wish I could have made it. I'm going to Wizard of Oz at Melrose Middle School tomorrow night. They always do an amazing job. Hard to believe these kids are only in middle school.

Good evening Maureen,

I will call them and see how I can assist.

Two Hopkinton parents just informed me that youth are traveling to Woonsocket, RI to purchase lozenges and pouches.

Marin did very well in her show.

My wife and daughters have their first night of Annie tomorrow at Needham Community Theatre.

Arden was just cast in Fun House.

Good morning.

Thanks for the quick response.

Oh great. Not surprising. This is why we have to get rid of the whole industry. De-normalize nicotine. Period.

But glad you have parents there who share that kind of info with you. Those relationships are critical.

At least Needham is closer, right?

Where will Fun House be? Arlington? Keep me posted. If my schedule allow I would love to see it. I told you my brother lives in Arlington - - I'm over there regularly anyway. Unless I get him to come to my house to fix something for me. 😊

Thanks again. We keep on rolling!

Maureen
