Hi Shaun,

Thank you for giving NFG time on last night's BOH meeting agenda.

Glad I made the drive out to Hopkinton. I prefer in-person meetings anyway, but the bonus was that I got to hear a little bit about Marathon preparations. And got to see the starting line of the world famous Booton Marathon!

The town is quintessential New England. And you have a wonderful Town Hall.

When I drove back, I purposely took a different route rather than going back on 495. Very rural! I don't know what I expected but I could have been in Vermont where I grew up.

Did the Board end up voting to hold a public hearing? I didn't hear a motion, and it sounded like they were moving on to the next item of business.

Please let me know if you or the board would like any additional information. As I mentioned last night, we have SME's who would be glad to meet with the Board, answer questions, send more info, whatever. Just let me know.

Thanks!

Maureen

We were glad to have you Maureen.

The Board voted to proceed. We are looking to secure a date.

We would love to have whatever support that you could offer us.

That's great. We have SME's just dying to send along important information.

I don't have any Hopkinton connections, unfortunately. Best to have local youth/residents available to testify in addition to SME's who will show up.

We'll do our best to help.

Thanks for all you have done to help get NFG to this stage.

Maureen
