Dear Health Department Leader,

We hope this message finds you well. Over a dozen jurisdictions in Massachusetts have adopted a Nicotine-Free Generation (NFG) policy that limits the sale of nicotine products to those born after a certain year. These towns include Belchertown, Brookline, Chelsea, Concord, Malden, Manchester, Melrose, Needham, Newton, Pelham, Reading, Somerville, Stoneham, Wakefield, and Winchester.

The Nicotine Free Generation Coalition is assessing local community interest in the policy. Included is a link to a brief [survey](#) that should only take a minute to complete. The results will help us effectively reach communities seeking further information regarding the policy and will help prevent unwanted communications to communities not currently interested in considering such a policy. Survey results will ultimately help guide future efforts to support healthier, tobacco-free environments for the youth. Thank you so much for your time and your help!

Link to Survey: <https://redcap.link/NFG>

Sincerely,

Matthew Reynolds

Shaun
3 things:

- 1) I am wondering if you got the same NFG survey email I am forwawarding here?
- 2) Outside the 3 goals, can you list the 3 or 4 things that you did this year that you are most proud of?
- 3) Can you meet sometime before 1PM tomorrow?

-Best
Rick

Welcome back.

This is the same survey. Dr. Winickoff may speak at our hearing.

3-4 things:

I was published for the tick work.

I kept the team together through the turmoil.

I got the budget increase for the nursing hiring.

Simone and I received state recognition, as we were selected to be on the data solutions team and the public health emergency planning team.

I have a meeting from 9-10 but am free otherwise.

Shaun
