Hi Shaun,

One quick update, Kishan owner of Hopkinton wine and spirits was very concerned about doing inspection at this time. I clarified that when the permit holder applies for BOH tobacco permit they agreed to unannounced BOH inspections when the store is open. It is a violation if they don't allow to conduct the inspection.

Kishan might reach you on this regard.

Thank you,

Best regards,

Pari

Thank you, this suffices.

My question about the adult only tobacco is if this is a separate permit from tobacco permit at Country Farm. If so is one available in town. I have seen tobacco permits and adult only tobacco permits be two distinguishable permits.

It is a separate permit. The permit would be contingent on the store meeting the Adult Only definitions.
