Local Public Health Monthly Webinar: [NEW LINK](#)

The Local Public Health Monthly Webinar will have a [NEW SCHEDULE](#) and a [NEW LINK](#) starting in February. The webinars will now be held on the FIRST TUESDAY of every month from 3 – 4 p.m. via Zoom. The next webinar will be on Tuesday, Feb. 6, from 3 – 4 p.m.

Click on the following link to register for the 2024 monthly webinars:

https://us06web.zoom.us/webinar/register/WN_H65FsvtPQc28tMP4dqp4Bw

Please note this is a recurring event. [YOU ONLY NEED TO REGISTER ONCE.](#) After registering, you will receive a confirmation email from Zoom with YOUR UNIQUE LINK to attend the webinar and import the events into your calendar ([how-to guide](#)). If you want to forward the event to someone, please send the registration link.

[Back to top](#)

The Office of Local and Regional Health provides monthly webinars on various topics relevant to local public health.

- The next monthly webinar is scheduled at 3 p.m. Tuesday, Feb. 6.
- Submit your questions and recommended topics for the next webinar to localregionalpublichealth@mass.gov by Wednesday, Jan. 31.
- We value your input and welcome your suggestions for future webinar topics.

We want to ensure that our webinar is accessible to our audience. If you need accommodations, such as American Sign Language (ASL) or Closed Caption, please email us at localregionalpublichealth@mass.gov.

The 'A' in DEIA: Accessibility

Most people have heard of DEI: diversity, equity, and inclusion. Recently, an ['A' was added for accessibility](#). DEIA represents a comprehensive approach to creating a space that's safe, fair, respectful, and inclusive for all individuals. [Learn more about DEIA.](#)

Accessibility refers to an environment that's accessible to all individuals, including those with disabilities. Accessibility can be implemented in many ways, including providing accommodations, creating accessible websites and documents, and implementing assistive technology.

DPH is conducting the [Massachusetts Disability Community Health Needs Assessment](#) to help identify and address the needs of people with disabilities throughout the Commonwealth. The online survey is available in 12 languages, including American Sign Language (ASL). Please share with your community!

DPH Office of Health Equity's Health and Disability Program has resources available on their website for public health professionals including the following:

- Planning accessible meetings and events
- Facts on smoking among people with disabilities in MA
- Promoting physical activity among people with disabilities in MA

[Find the Health and Disability Program resources here.](#)

TRAIN Massachusetts is live!

TRAIN Massachusetts (TRAIN MA) is now available to all local public health professionals in Massachusetts.

What is TRAIN MA ?

TRAIN MA is an online learning management system which provides quality training opportunities for professionals who protect and improve the public's health. TRAIN MA will be replacing the Local Public Health Institute hosted by Boston University (BU/LPHI). The LPHI course catalog, which is currently hosted and managed by BU/LPHI, will be migrated to TRAIN MA.

Reminder to Save Your BU/LPHI Transcript

You will have full access to your course transcript and completion certificates on LPHI through March 31, 2024. We highly recommend you download and save all your LPHI transcripts and course completion certificates by March 31, 2024 for any future reference. This proactive step will ensure your professional achievements remain easily accessible to you. While BU-LPHI and OLRH will retain course records following all pursuant course provider regulations as outlined in state guidelines, please be aware you will no longer have access to your course transcript or completion certificates through BU/LPHI after March 31, 2024.

How do I get a TRAIN MA account?

Please reach out to amy.e.tisdell@mass.gov for assistance in setting up an account.

Local Public Health Internship Program - Host an Intern!

The Local Health Internship Program provides an excellent opportunity for local health departments and state partners to collaborate with enthusiastic and talented students seeking hands-on experience in the public health field. These interns bring fresh perspectives, innovative ideas, and a strong desire to contribute to the improvement of public health in our communities.

To apply as a host for the 2024 summer intern , please fill out this [application](#). The application will remain open until Monday, Feb. 4, allowing ample time for careful consideration and response.

We understand that the selection process is an important aspect, and to provide timely updates, the local boards of health will be notified of their application status by Friday, Feb. 9. Should you have any additional questions or concerns, please do not hesitate to contact Julie Coco, Internship Coordinator at julie.coco@mass.gov.

Don't Miss Future Funding Opportunities!

Apply for the Municipal Master Services Agreement (MSA) RFR

The purpose of this [Request for Responses \(RFR\)](#) is to establish a pre-qualified list of approved vendors, namely local and regional public health entities, to be eligible for potential future funding from the Department of Public Health DPH. This approach will provide a simplified process for eligible entities to access DPH funding, consolidate multiple sources of funding from DPH, and create a more efficient process for how certain funding is distributed.

All municipalities, regional planning agencies, regional council of governments, or regional health districts are strongly encouraged to apply as many future DPH grants will be distributed through this municipal master services agreement (MSA).

NOTE: PHE lead grantees are already in the MSA and do not need to apply.

To apply, please find the COMMBUYS link to the RFR posting [here](#). The application consists of:

- Application form
- Confidentiality Agreement (can be found in the REQ zip file on COMMBUYS)

Please return the completed forms to Brian.W.Sheehan@mass.gov along with any other questions.
