

ACTION ALERT!

Tobacco Free Mass

**Act *NOW* SIGN ON TO SHOW SUPPORT
OF FDA PROPOSAL TO PROHIBIT
MENTHOL CIGARETTES & FLAVORED
CIGARS**

DEADLINE IS WEDNESDAY, FEB 22nd!

TFM Members, the American Lung Association (ALA) would like to show strong support for the Food and Drug Administration's (FDA) proposals to prohibit the sale of menthol cigarettes and flavored cigars. FDA's proposals will have a profound impact on reducing youth tobacco use, preventing tobacco-caused disease, and saving lives. It is time to put an end to the tobacco industry's targeted efforts to use flavored products to lure youth into a lifetime of deadly addiction.

Dan Fitzgerald, Director of Advocacy, ALA - Rhode Island & Massachusetts, is getting the sign-ons in Massachusetts for the Rep. Ayanna Pressley letter. The letter is linked below.

We are sending this letter to TFM Members and encourage you to sign on! **Please confirm your organization name and send your logo for a logo cloud. The sign deadline is February 22nd. Thank you!**
