Subject RE: BOH Final Meeting Packet - March13, 2025

If it helps at all, the Board won't make any decisions around the pouches tonight. Sarah McColgan from the MHOA will be speaking about them so you'll be able to watch the meeting later on to see what she had to say. Next month, we're having the nicotine free generation team come speak to the Board. And then in May, we're showing a documentary about opioid addiction. I don't think it would be until June when anything definite would be in the regulation. I think there will be a few months of discussion.

Hi Lisa,

I cannot make it to tonight's meeting as I have a work conflict. I did want to weigh in on the nicotine pouch debate, so not sure if we can table that till next month?

Thanks,

Ryan
