Subject RE: [External] Tobacco education program

Hi Amy,

I am so sorry for the delay. The program we are rolling out is not for the nicotine pouches. It is in conjunction with the tobacco free generation topic. We asked all our permit holders to come up with a self-governing plan to help weed out the flavors that have letters and items targeting kids. In conjunction the board will table the discussion of moving towards a smoke free generation regulation for one year.

Thank you,

Randy Suckney

Hi Randy,

It was great talking with you yesterday about the tobacco control education Peabody has implemented in exchange for not restricting nicotine pouches for now.

Can you tell me more about the program so I can share it with the BOH? I mentioned it to the Chair and she's also interested in hearing more about it.

Thanks!

Amy
