Subject A few more emails
Attachments NECSEMA-NFG-ANP-Letter-Mansfield.pdf; Massachusetts_-tobacco-flavor-ban-failure.pdf; Why-the-FDA-is-right-about-ZYN_March-2643.pdf

Hello All,

Here are a few more emails about tobacco control that have been received since the BOH packet went out on Monday.

The last email from NECSEMA is something I am waiting for additional guidance from the MHOA Tobacco Control Agent. She's on vacation until tomorrow.

Please let me know if you have any questions.

Amy
