Hello BOH members,

Attached you will find the final agenda for the upcoming BOH meeting on Thursday June 26th. Also attached is a spreadsheet that our summer intern Maura compiled for us of the 'No' Nicotine Free Generation emails that have been sent to the Board since the last meeting in April. Also, If you could please confirm your attendance for the meeting, I would really appreciate it.

I will be taking Friday June 20th through Tuesday June 24th off. I promise to send the final meeting packet Wednesday morning, I do apologize for the delay.

Thanks,

Lisa Faria
