Subject: Letter from NECSEMA to the Mansfield Town Council, and Mansfield Board of Health

Dear Members of the Mansfield Town Council, and the Mansfield Board of Health,

Please find attached a letter from the New England Convenience Store and Energy Marketers Association (NECSEMA) with important information regarding *Nicotine Free Generation*. I encourage you to review the letter and reach out if you would like to discuss this matter in greater detail. Our goal is to help educate decisionmakers on all aspects of this policy before a decision to consider it has been determined. Thank you.

Peter A. Brennan
