Subject MHOA Board Summer Packet and Upcoming Board Meetings
Attachments Summer-2025-Board-Packet.pdf

Good afternoon, attached for your review is a summer packet put together to keep you informed of what staff has been working on. You will be getting a calendar notification for the September-December board meetings later today. As a reminder, there was a vote at the June meeting to participate in the Collins Center research board engagement pilot program survey. If you are unable to access your MHOA email, please reach out to me or Teresa so you are able to participate in the survey. If you have any questions, please let me know. Take care, Lisa
