Wake-Up's vision is a safe, vibrant, resourceful Wakefield in which all members, young to old, engage in making healthy decisions.

Wake-Up (Wakefield Unified Prevention Coalition), formed in 2011, is a community-based coalition of residents, businesses, organizations, professionals, and advocates who work together to promote a healthy community environment. The coalition is dedicated to reducing alcohol, tobacco, and other drug use among its residents, especially its youth. Partnering locally and regionally, we take a leadership role in implementing environmental and evidence-based substance prevention strategies.
