

MA NFG Team Agenda items:

Identify **individual and groups** to reach out to for local support and for State Legislation support – for meetings and hearings as well as education prior to any meetings/hearings. Add to list already started. (Children's Hospital, MMS, Mass Hospital and Health Care Association, Mass Nurses Association Mass Association of Health Plans (formerly MAHHS), Blue Cross Blue Shield).

Note: We have received letters of support from Tufts Medicine (Melrose/Wakefield Hospital), CHA (Malden, Medford, et al), Winchester/Lahey (Winchester, Reading).

Are there any youth groups that need a public health or community service project? After school clubs besides the 84? Faith-based youth groups? Fraternal organizations? Boys and Girls Clubs? Boy Scouts/Girl Scouts?

TMF – keep reaching out to TFM members like Steve Stechetsky. Attend TFG meetings! Next quarterly meeting **3/6/2025** (10:00-.11:30). Next Advocacy Committee meeting 4/10/2025 (9:00-10:30)

MMA/MHOA/MAHB: letter to all municipal leaders regarding robo emails.

Attend **ENUFF** (End Nicotine Use For the Future – named by youth), formerly Kick Butts Day. Thursday, **April 3, 2025** 9:30 to 3:30 - - that's for the 84 youth members and adult advisors. Showing just for the award ceremony, usually around 1:30 PM would be great. The Commissioner will undoubtedly speak. A little bit of time to network.
