It seems a possible that the phone in remote testimony isn't feeding anymore—maybe staff left. I could be wrong but she's called several now that aren't clicking in (or maybe they just left)

We had a previously scheduled MA NFG meeting tonight at 6. I understand that people may feel spent by the Statehouse event today, but I'm still circulating a zoom link and those who are able can join. Agenda will be review state house and continue discussion of town prospects to hit the ground running when boards resume meetings in September.

Best, Kate
