Do you have any other comments? (We would love to hear from you!)

I am interested to see and hear how it goes in other communities

Having people, especially young people, speak in support of NFG at community gatherings, city/town meetings, Boards of

We were the first MA town to ban flavored nicotine delivery products (as a small town, it might have helped us to fly under

We have small communities, some with no tobacco sales. We do have 1 of our communities planning to pass a NFG versio

We have heard a presentation on this and would like to follow up.

we don't have any tobacco sale permits in town, the store that has one decided to stop selling because it wasn't profitable

This is an abject violation of people's rights and a clear case of age discrimination, regardless of what the Supreme Judici

At this time, rather than individually/locally acting, we are waiting for the state level effort to be brought forward

Thanks for reaching out.

The constituents of Norwood thought we were aiming to be an NFG town, and we weren't. It was just discussed at a board meeting. I've briefly discussed this with one other board member and while we were hesitant I think it is something our board would consider.

I have concerns with all the pot shops

I am highly interested but I think there may be some hesitation from other members of the board.
