 - o PHE updates
 - New hires starting Aug 4
 - Hoping to get PHNs together in Aug to discuss areas of support for Tai & Gruha
 - FY25 spent funds- ~\$371,000 out of \$561,197.45 spent
 - IMA- just waiting for Stoneham’s signature
 - FY26 workplan
 - Topics
 - o Expand sharing of services using CART, self-assessment, & FPHS data

- o Facilitate targeted training opportunities for staff members to address gaps in meeting the Performance Standards
 - o Disease Control and Prevention: Ensure adherence to infectious disease case investigation requirements, while enhancing staff training, capacity, and quality improvement initiatives
 - o Not specifically written in the workplan, but we'll still work on it: creating a data dashboard for the YRBS
- Gruha's updates
 - MHOA abstract got accepted and she will be presenting at the conference in Nov.
 - She continues to support communicable disease work, data analysis, and health education across the SSA.
 - Future work ideas: hope is to expand this work to all communities, idea of MAVEN reports to identify trends in the communities/overall health issues
- Discussion/brainstorm about YRBS data dashboard
 - o What will the dashboard convey? Lots of opt outs this year, do we only highlight positive outcomes?
 - o Sophie will help get raw data to Gruha
 - o We need opinions from school departments on what to include in dashboard
 - o In addition to the dashboard, Gruha & MassCALL colleagues will create best practices for how to present data- how to present it to highlight positive aspects and not focus on negative or confounding parts.
- ~~• Alzheimer's program proposal discussion~~
- ~~• Discussion around the FPHS data~~
- Future discussion idea: consider adopting 2022 food code as an SSA
