Awesome! Here's how to get the zoom link for any posted upcoming BOH meetings:

Go to rockportma.gov

Click on Posted Meetings on that home page

Look under Current Meeting Notices for a Board of Health meeting agenda (it's not there yet, it should be posted later today but definitely by tomorrow before 5:30 PM to meet open meeting law requirements)

The Zoom link will appear near the top of the agenda.

Thank you so much for the update. I appreciate the information and look forward to speaking with your board when NFG comes up on the agenda.

Joyce probably shared with you that the opposition tends to “appear” whenever NFG is on a BOH agenda so I wouldn’t be surprised to see industry representatives join your meeting this Monday night. I may zoom in just for the heck of it.

Thanks again, Ray.

Maureen

Hi again! Well, as it happens, between bringing aboard two new BOH members at Monday night's meeting and needing to ensure enough time for the Board to do its FY2025 plus/delta review, the decision was just made to push the discussion of NFG to later in the summer. The topic will still appear on Monday night's agenda under "Old Business", but it won't be taken up for discussion. Chairwoman McCarthy wants the Board to have plenty of time to dedicate to it, especially as the new Board members are getting up to speed. I promise we'll keep you posted :)

And if you'd still like the Zoom link for this coming Monday, just let me know.

I will be on the Zoom meeting Monday. My colleague's name is Maureen Buzby as I mentioned all of the municipalities she covers have adopted NFG and she has agreed to attend as well. I have cc'd her on this communication so that you can send her the Zoom information as well.

Thank you,

Joyce
