I just got this information from the HD even though I was at their last meeting and the statement was a public hearing. The colleague he mentioned is you. Remember my comment to you about a backstory. I apologize for any confusion!!! Please notify the group! Call me when you have a chance.

Hi Joyce. NFG is on the agenda under Old Business so the Board can continue its discussion, but there isn't a public hearing scheduled for the 6/30 meeting. The Board will deliberate as to when to consider holding a public hearing. All the same, we're planning to send you the Zoom link once it's established for the meeting. You did mention you had one colleague that you were planning to invite to join the meeting so they could provide some additional data/background to the Board, and that invitation stands if your colleague would like to participate on 6/30.

Good morning, Ray
I hope you are staying cool in this heat...
I am Informing some interested parties who would like to attend the public hearing on the 30th, can you provide me with the time you are expecting the hearing to start. Also, will you be accepting written testimony?

Thank you,

Joyce
