I almost forgot to send this along. Isable is a Needham High School junior who has been working on NFG for at least a year – at a pretty high level.

She met with her local BOH several times and then also spoke at other hearings. She is a member of our volunteer NFG task team.

She is also on the 84 state-wide leadership team. Her flyer deals with NFG as a solution.

Youth may want to create something that just speaks to nicotine's harmful effects. Just a thought.

I'll try to find info on the youth effort out in Belchertown.

Hi Maureen,

I attached the edited version below in a pdf. Let me know if that doesn't work.

Thanks again.

Yes, of course! I can send you the updated one with the edits in the next 20-30 minutes.

Thanks for asking!

Hi Isabel,

Can you please do me a favor and re-send your flyer? I filed it somewhere and can't lay my hands on it. Which means I probably mis-filed it. Too many electronic files. ☹

Thanks,

MB
