I'll be there, at least for Tuesday and, perhaps, part of Wednesday as well. I am not presenting a poster (I declined the invitation). Feel free to use:

I have a poster presentation, so does Mark. I'm not yet sure whether I'm going to go!

Hi Mark and Kate,

In addition to getting ready for Monday's hearing, and vacation starting in a week and a half, and finishing up end-of-fiscal-year reporting, I also need to pull together materials for our booth (Anthony Chui and I have a "poster spot") at the national conference in Chicago in August.

I want to hand out a flier of some sort with NFG info, of course.

Will you be there? Do you have a booth? Who else will be there who might have NFG "stuff"?

MTCP has eleven people going if I include all the TA's (Cheryl Sbarra, et al) but I'm sure none of them will have anything on NFG. I suspect Cheryl will push the smell/taste test, maybe something on Chelsea's menthol ban. MTCP will have the epi's doing something – maybe on pricing. I think someone will present on density. Don't know what the others are doing.

That said, whatever I hand out should have a place to go to get additional info. Can that be your website, Mark?

Thank!

Maureen
