The Chair is going to allow public comment. If you are there tonight virtually or otherwise I hope you will speak. I had a letter to the editor in the local newsletter this morning - I'll send you a link here

Do you have a rough estimate as to what time this topic might come up? Do you think it will be after 7:30?

Trying to determine what time to get home by.

I'm going to forward the info to a few other people to see if they can send letters of support by Tuesday.

Hi Susan,

Happy new year! I have a strong letter of support for the policy that we drafted with another pediatrician. Should we address to the board of health or some other entity? Once we have the addressee, Thomas can send it to you along with our one-pager. The one pager is a complement to the FAQ.

External Email - Use Caution

These are great. I'll have them included in the Friday Packet which has the materials for all of next weeks meetings along with a memo from me explaining that there are now 13 cities and towns in or close to being into this program. I'm also sending these out to maybe 50 or 60 "friends" who might be willing to send an email in support of this.

Hi Susan and Happy New Year!

Here is the most recent FAQ as well as a guide to NFG that was created by folks from MAHB, MMA, PHAI, and others. I can get hard copies of these for distribution to members of the ordinance committee, if that's where they might be helpful.

Happy New Year Jonathan

Can you send Susan and I the most recent FAQ handout and I'll save it to our resources?

Hi Mark

I spoke with Susan this evening about Newton's interest in TFG/NFG. They apparently have a draft policy done by their legal team and Susan might have you take a look at it in preparation for a January meeting. Likely at this point it would be a 1/1/2005 birthdate.

Susan, I attached a couple of documents for you to use in your newsletter.

Let me know if it will be January 8 or 22 so I can let the rest of our group know and they can attend to support you.

Anthony
