Subject: Middleton

This morning I received positive feedback on the September mass mailing.

Traci Mello of Middleton asked for a "private" presentation. Middleton is in Essex County. It has a population near 10,000, and shares a high school with Topsfield and Boxford.

How should we respond? I see no reason for the response to come from the NicotineFreeGeneration email address.

Following is her email, responding to NicotineFreeGeneration(at)gmail

traci.mello@middletonma.gov

Good morning,
I would like to review the presentation before showing it to my Board of Health. Thank you for sending it to me.
