Hi! I'm interested in joining an advocacy effort and contributing to the reduction of tobacco use in Western Mass. Currently I'm working some low commitment jobs at a climbing gym and as a middle school track coach, both of which I'm in great standing at and have flexibility to leave. So I would say my availability is good. My phone number is 413-588-8379.

Thanks for this chance to talk, and I look forward to hearing from you!

Best,

Rory J Milsark

Rory,

Kevin O'Flaherty, Director of Advocacy – Northeast Region, Campaign for Tobacco-Free Kids, referred you to our Nicotine Free Generation effort. I have been organizing in the four (or five) counties of Western Massachusetts. We have active efforts in several communities.

I am a Board of Health member in Belchertown in Hampshire County. We were the first municipality to enact NFG in Western Mass., effective on January 1st.

We would like to know more about your interest and availability, as well as your contact information. Because I will be away for a while, I would hope you will connect with Heather Warner and Kris Hoag. Please "REPLY ALL" so that everyone is in the loop.

We look forward to hearing from you!
