OK. So you already know her (and I suspected you might).

What about a young man named Rory Milsark?

I know her and love her. She ♦s from Needham and attended numerous Needham BOH meetings and hearings and testified in support of NFG. We invited her to join our volunteer MA NFG Task Force which meets every other week. She attends our meetings and is a wonderful contributor.

Then there is Meher from Winchester and Shresta from Natick. Also amazing young women. Shresta is an 84 member and also on the 84 State Leadership Team. Winchester doesn't have an 84. If they did I'm sure Meher would be an active member.

I forget if you were on the TFM call last week when Shresta presented her state bill to ban internet sales of tobacco. Amazing!

Do you know of a young woman named Isabel Tashie? I think she ♦s part of The 84.

Maureen 💎

I hope you are doing well. I 💎ve come across a couple young people (one of which MAY already be part of what you 💎re doing) that I 💎d like to bring to your attention as they might be very interested in working with you and others on the various local NFG policies in MA. Do you think you could engage them?

If not, do you have any recommendations for who I could connect them to?

Thank you in advance!

Best,
Kevin
