Thank you for sending that over; I'll register now. I did watch the ASH webinar; there's definitely a lot going on this year, and I'm happy to see all of the Human Rights and Environmental tie ins/collaborations as well!

You might want to watch this.

Did you watch the ASH webinar at 12:00? They will post a link to the recording later this afternoon. I can send it to you. I think it's worth watching.

I'm going to tune into this webinar shortly.
