This is good news. I'll speak with Shaun next week and find out more about what he needs. I've already offered the help of our subject matter experts. Stay tuned.

Good afternoon Maureen,

I could use some help. I'm in a trial now. I will have time next week.

The board is reviewing my draft regulation. We will have one more meeting to discuss and then hold the hearing for local input and a decision.

Good morning, Shaun.

I've been meaning to connect with you since we met at the MHOA Conference last Fall.

I had a chance to chat with Pari at the MTCP off-site meeting last week. Pari indicated there may be some interest in Nicotine Free Generation in your area.

I'm reaching out now to see if there is anything I can do to help. We have an amazing group of volunteers working on NFG – many of whom would be happy to answer questions, attend a meeting, testify at a hearing, whatever. You probably know many/most of them: Mark Gottfried from NU PHAI, Kate Silbaugh from BU School of Law, Anthony Isahak - MGH Pharmacologist, Dr. Jonathan Winnickoff - MGH Pediatrician, Ken Elstein - Belchertown BOH, Sigalle Reiss, and others.

Please don't hesitate to reach out. Let us know what we can do to help.

Thanks!

Maureen
