It was really the highlight of the meeting. You're just the best and we cannot thank you enough. You should get the Congressional Medal of Freedom in my opinion. It's an honor to just get emails from you!

YES Hawaii and Indiana!

See you soon!

Amy

WOW! What can I say? You really pulled a fast one. I am incredibly touched by your thoughtfulness.

To be recognized by you and your team of warriors is a very special honor. I wish I knew how many times I have mentioned you, North Reading CIT, or you AND North Reading CIT over the years.

I follow you on Facebook so I can read about all the programs you introduce in your community and so I can share that information with other communities hoping that they will follow suit.

I'm a fan of you, your Coalition, North Reading, and especially Ryer's Country Store.

Seriously, I was surprised by the unexpected recognition from a group I respect and love to work with. As the day and then the week went on I had more time to reflect. I realized that in addition to a deep sense of gratitude, I am now even more inspired to keep up the fight. Meeting with a group of dedicated, committed, supporters of our youth keeps the fire lit.

Thank you doesn't seem like a strong enough sentiment, but I don't know what else to say. Thank you. Thank you. Thank you.

Maureen

P.S. In case you didn't see it, state legislators in both Hawaii and Indiana introduced NFG legislation in their respective states. Onward.....

(Please share my sincere thanks with all North Reading CIT members.)
