Oh, that's right. The Cape weekend. Enjoy. That should really top of the week.

Yes, you got it - - "talking one off the ledge". You would not believe how many emails she has sent me. Mostly critical. WHAT! She just not understand how Massachusetts local government works. I have spent so much time on her. UGH! (And she got a Somerville award last night. 😊)

Have a great weekend!

Oh my, Maureen!!! That's A FULL SCHEDULE FOR SURE. Wow!
I hope you get some rest this weekend. I've been reading everyone's notes about it. Does sound like a lot was learned. Constant refining is so good. You're such a gem. And, I've really enjoyed all the comments. Talking one off the edge, for one!

ICE raids on your beloved Martha's Vineyard yesterday. I was thinking of you this morning as I heard. So sad. I'm off to the Cape for the weekend with my travel "Ladies" back Sunday late afternoon. Can't wait. Rain forecasted but who cares?? LOL I told them I'll be sitting on the beach with an umbrella regardless if they want to join.

☺B

June 30th according to Joyce.

Long day yesterday. Started the day with an 8:30 meeting in Malden and got home from Bellingham at 11:36. One lane getting through the O'Neil Tunnel. So glad only Mark G. and I went. We didn't get to speak but we learned a lot. Not a complete waste. Just a long day. Had to be in Malden today for three back-to-back assemblies. UGH. Soooo tired. 😊

Hi Maureen

Is there a date set for Rockport yet or is it hypothetical at this point? I have trouble getting into the NFG spreadsheet. GRRR

Thanks for the folder! Terrific.

I tried to get in to the tail end of Belchertown mtg last night but NFG discussion had apparently already been over. Too bad it didn't pass.

That is terrific. The usual. It's a public hearing so we need advocates to testify. In-person is best. Written testimony if they can't appear in person.

Local residents and even those who work in Rockport – especially the school system and youth serving organizations. Most important of all of course is youth! Just like for Somerville. And Chelsea. If there is a local substance prevention coalition their support is critical.

I can send you the folder of info I send to folks new to this. It contains some sample letters which we often get asked for.

Hi Maureen

Just had a supervision mtg with Tina. She said she does know people up in the Rockport area (someone working for the city works there, too.)

Kelley (Tina's supervisor) lives in Gloucester. They all will be happy to mobilize. Do you know what will be needed and when? They asked me to send them whatever that will be.
