19-4! Susan you really prepared the councilors for this meeting, and it showed. I am so impressed—I appreciate how much advance work it takes to have a successful debate and vote. I'm just so grateful.

He knows quite a few council members so if you send me names directly then I can forward to him.

You should write to Marc - I'm not counting on his vote - haven't called him yet - but it will go to the whole council.

What would Tommy say - would he say he is submitting a bill to tackle the whole state? If so, that would be supportive. It wouldn't hurt!

he could send something to the council via Marc as well

Susan
p.s. I've got 15 votes now

Hi

I'm calling councilors to get their support on the tobacco change. I was just assured the 13th vote - all we need is a simple majority - so this is what we have now. Still hoping for 17 positive votes.

Maybe that will signal to opponents to move on to the next place and to give-up on Newton?
