I'm bummed out I missed the meeting. I had planned to attend with a couple of our youth.

Happy to hear the policy was adopted. Great work!

Thank you to all, especially Maureen and Bonny for providing guidance on how to prep the youth.

Thank you so much for your help with it, Yasmine. I'm sure the youth that came to the hearing will be happy to know.

No. A random person I don't know on LinkedIn. I don't think he has any relationships with Chelsea.

I'm glad it passed.

Thanks, Jen.
Agreed--It was something to behold! Other boards and health directors should take note. Go Chelsea.

Great Board meeting. I told my boss it should be required viewing for all boards. Dean explained the board's role extremely well.

Chelsea Board unanimously adopted NFG Tuesday evening. Belchertown adopted last evening. We're at eleven municipalities and counting. Needham meets tomorrow.

Watch the board meeting when it gets posted, if you can. It's a good one!

Hey Amanda,

I hope you are doing well! I wanted to connect you to Flor Amaya, Public Health Director, about an upcoming hearing at the Board of Health. Chelsea is exploring passing a Nicotine Free Generation Policy at a hearing on November 19, 2024... more info attached. If any of your athletes or staff might be able to help advocate for this new policy by attending the hearing, providing testimony, writing a letter of support, etc. that would be awesome! We can get samples if helpful.

Thank you 😊
