It was great to meet you last night Isabel, I'm thrilled to have you on the team.

Hello all,

I think some of you have already met, but I'm writing to introduce you to Isabel Tashie, a Needham high school student who has a passion for advocacy and would like to volunteer in the efforts to spread Nicotine-Free Generation in MA. Isabel was one of the student testifiers at the Needham meeting last week.

Isabel, this is the team that has been making amazing progress this year, expanding the number of NFG jurisdictions in MA from 1 to 12 (and includes folks responsible for that first one – Brookline – in 2020). They've made MA the world leader in tobacco endgame progress. I'll let them each introduce themselves.

I believe that things in MA are closing up for the calendar year, but let's chat further in January as we plan for another exciting year.

Cheers,
Chris
