Ok. It's ok. I spoke to Cheryl. She can do it after the holidays but with the need to send it to legal (board requires that) and get it approved and posted in time for Jan hearing, i think i should take a stab at it. Shouldn't be too many changes.

I do not. That is the TA's job. They get paid to do that.
In my towns we just added the NFG provision. That's all we showed them. Then we inserted the provision.
I can try to find Winchester's draft reg.

Hi Maureen
Do you now draft the model regs for your municipalities yourself?
Mary suggested I do because TAs are so busy.
I recently did one for Cambridge but it took a long time! Granted they are unique in many ways so not surprising.
Your experience with what you do and do not do is always valuable to me, so please let me know.
Thanks
Bonny
