Hi all—

This email list is from the spreadsheet; if you've added anyone to the group who is not also added to that spreadsheet, please correct and forward.

Because of my daughter's wedding in 2 weeks, Anthony Ishak kindly took over May meeting. Due to my poor communication, he called that meeting for last Monday instead of today.

Therefore, please expect the next meeting to happen in June. I may or may not be at that meeting and would propose that it happen June 2. If either Anthony Ishak, Maureen, or Ginny want to host that, I'd be grateful.

Best, Kate
