Hmm. I don't love the "will be working on policy"—it's all speculative who might move next anyway. Just feels like giving resistors a heads up?

This might help....

Mary Brush is the MTCP manager Bonny and I report to. She reports directly to Jackie Doanne who is the Director of MTCP.

Mary has not been a big fan of NFG but at least the info she gathers from other Tobacco Program managers, if she shares it, could be helpful to our team.

Subject: Policy work

Hi BOHs

I am working on updating the list of communities working on policy. Can you please forward me a list of your municipalities currently working on policy or that will be working on policy. It helps us track trends and patterns.

Thanks so much

Mary
