You are too funny! I can confirm that you submitted " Nicotine Free Generation" ☐

Ana,

Thank you so much! I also hope I said "Nicotine *Free* Generation" in my nomination and not "Nicotine *Friendly* Generation." I'm not sure why, but my fingers always want to type "nicotine friendly" and I'm nervous that I didn't catch that when I proofread. Anyways, I hope you get a chuckle out of that! ☐♀ Thank you for your help!

Deanna

Hi Deanna,

No worries, I will make sure to include the other folks you listed under your nomination.

Thanks for your continued support and I hope to see you on June 6!

Subject: Request to update public health hero nomination

Hi Ana,

I just submitted a nomination for the Local Public Health Leadership award and I was wondering if I could update it to include the Nicotine Free Generation (NFG) workgroup? This includes Sigalle Reiss (Brookline's Public Health & Human Services Director), Anthony Chui (Director of Health & Human Services for Melrose, Stoneham, & Wakefield), Katharine Silbaugh (BU School of Law), Dr. Jonathan Winickoff, Mark Gottlieb (Northeastern/Public Health Advocacy Institute), Dr. Anthony Ishak, among many others. I get the most updates about this policy from Maureen, which is why I initially only included her, but it's really a huge team effort from a diverse group of people. Please let me know if I should submit a new nomination instead.

Thanks,
Deanna
