Oh fun!

The 23rd at La Q Chara's on Franklin St. at 10 AM sounds perfect.
I look forward to it! Enjoy your Vineyard trip!

Thank you so much. More to come on NFG for sure. Big Tobacco fighting us tooth and nail.

I'll be on the Vineyard on the 16th annual family weekend visit. 😊

But I can do the 23rd. Would love to have you come over this way, if you are sure. I can easily come your way as well.

La Q Chara's on Franklin St. 10:00 or 10:30? I have no scheduled meetings that day so I could also do the afternoon.

What works best for you?

Hi Maureen,

That is fantastic news! Congratulations on your great work! I am very interested on how those conversations will go.

Do you have any availability on the 16th or 23rd? Maybe for coffee? Happy to come your way!

Best,
Mackenzie

Hi Mackenzie,

Hope you are easing back into work after a very special time off with family. It's been a bit of a whirlwind for me. There was a Nicotine Free Generation Celebration at the State House last Monday. At the end of published program three state legislators announced that they will be filing NFG legislation in January. Pretty big moment.

Six of my communities have already adopted the policy so I am going to be very busy doing retailer education (and new signage) this month. I expect to have many perhaps not-so-happy discussions with store owners. The price we pay for public health progress.

Let me know what your schedule looks like so we can try to meet to catch up in the next couple of weeks.

Best,
Maureen
