Subject: Say NO to Nicotine Free Generation (NFG) Regulations in Wakefield
To: Laurel Gourville <boardofhealth@wakefield.ma.us>

Dear Chair Laurel Gourville,

I ask you to reject the adoption of Nicotine Free Generation policies in Wakefield.

I reject the NFG policy because:

It applies different laws to two groups of adults treating them differently from one another for the purchase and use of the same products despite both being 21 years of age or older.

It creates and supports a dangerous illicit market for unregulated, untaxed nicotine and tobacco products.

It does nothing to address youth use of nicotine and tobacco products since the policy targets adults upon reaching the age of 21.

Say NO to NFG regulations in Wakefield.

Regards,
Ahmed Javid
