Thanks for sending the packets back. They will get used.

I think you know we now have a total of twelve municipalities that have adopted NFG. Brookline by by-law, all others by BOH reg. Great start. Did Steve Stechetsky contact you? We talked at a recent Tobacco Free Mass meeting and he said he was going to get in touch with you. He is a big fan of NFG and wants to see his town adopt.

We meet with Somerville tonight. An initial meeting. They want to hear from the "experts". We'll see who shows up uninvited – like Stephen Helfer maybe,

I met the Somerville HD, Karin Carroll, at MHOA. She sat in on our NFG workshop. She wasn't initially interested but after attending the workshop became more interested. Education. Education. Education.

We will be looking for more help as we move out across the state.

Interested???

Happy holidays,

Maureen
