Subject: Young Advocates for NFG Policies?

Maureen ♦

I hope you are doing well. I ♦ve come across a couple young people (one of which MAY already be part of what you ♦re doing) that I ♦d like to bring to your attention as they might be very interested in working with you and others on the various local NFG policies in MA. Do you think you could engage them?

If not, do you have any recommendations for who I could connect them to?

Thank you in advance!

Best,
Kevin
