Good morning,

I've been working on materials to use at the Nation Tobacco Conference in Chicago later this month.

So far I have a banner for the back of our booth, a short video to play in a loop (no audio), and a draft of a flyer - - "Ten Things to Know About NFG".

I can share all with you. The flyer will have the NU email address. Do we have a QR code as well? I thought we did and then couldn't find it.

I think we have talked in the past about having a logo as well. Any ideas?

Thanks!
