I haven't been updating you on my work in any municipality that is not in my catchment area because I assume you are being notified by the program manager for that region.
But in case I am wrong...

Pittsfield: I assume you have heard from Jim W. Jim connected me with the Pittsfield BOH Chair who asked me to present to her board on NFG – tonight at 6:30.

Newton: Several of us have submitted written testimony and/or will join tonight's City Council Services and Programs Sub Committee meeting at 7:00.

Neither of these are public hearings. Pittsfield is a closed meeting – I'm not sure how they can do that. I guess it's open to the public if you join in person but by invite only on Zoom.
Newton is entertaining public comment.

Please let me know how you'd like me to proceed regarding policy work reporting so that you are in the loop.

Thanks,
Maureen
