Hi Barry-

I understand that you met some of my colleagues at the MHOA conference recently and expressed interest in considering NFG regulations. That's wonderful news! I have attached our latest Draft Model Youth Access To Tobacco Regulations for your BOH to consider. The NFG language is contained within. Please let me know if I can assist in any way- I know that this is a giant leap for any community. Kudos to you for even considering it!

Cheers,

Bob Collett
